

DCEX

Power supplies DC-DC
25 Watts

Exemys DC-DC (power surces) allows to connect electronic devices that requires the isolation of the power surce from critical applications. Ideal for industrial or comercial purposes.

FEATURES

- Fireproof industrial cabinet
- A choice of multiple voltages for input and output.
- 25 Watts output power.
- Protection against output over-voltage
- Low input voltage cut-off feature
- Input voltages: (+/-) 12, 24, 36, 48, 72 (Vdc)
- Output voltages: (+/-) 5, 12, 24, 36, 48, 52 (Vdc)
- Operation temperature from -10°C to +100°C
- Efficiency: 78 al 88%
- 3000 Vrms of insulation between input and output

ORDER CODES

DCEX / Vin / Vout / A

A: Output power (A = 25W)

Vout: (+/-) 5, 12, 24, 36, 48, 52 (Vdc)

Vin: (+/-) 12, 24, 36, 48, 72 (Vdc)

SISTEMA DE GESTIÓN ISO 9001:2000
